Real LIFE Course beginning 14th September

How does RealLIFE work?

The course is made-up of three ten-week blocks which, in their own different ways, look at ten aspects of discipleship that emerge from the teaching and example of Jesus:

- LifeCORE introduces these aspects, beginning in Luke 9;
- LifeCREDO considers some bigger theological themes that lie behind them;
- LifeSTORY asks what habits you can develop to ground each aspect of discipleship in your everyday experience.

Do I have to do all three ten-week blocks of RealLIFE?

No. You could register just for one term (LifeCORE) and leave it there – or you could change your mind at the end and sign up for term two (LifeCREDO). Or you could come back and do the later terms at a later date. (Please note, you have to do the terms in order, so if you want to do term 3, you have to have done terms 1&2 already and so on.)

Who can take the course?

Anyone who wants to follow-after Jesus and into real life – living the gift of knowing God in Jesus Christ through the Holy Spirit and shaping the world through their discipleship. RealLIFE is open to those who consider themselves early on in their Christian faith as well as any who have been Christians for many years.

The course is FREE. but you **must** register.
